Step 2

Begin your search

HOW?

1. **On the Homepage**

- Select a country
- Type of project
- Activity

OR

2. **Click "Search"**

Type in country, funding body or funding program if you already know what you're looking for

OR

3. **Click "Show Filters"**

By selecting filters you can refine your search

Level	Project Type	Nature of Project	Spending in the Country
<input checked="" type="checkbox"/> National (124)	<input type="checkbox"/> Computer games (4)	<input type="checkbox"/> Animation (111)	<input type="checkbox"/> No (57)
Activity	<input type="checkbox"/> Crossmedia (3)	<input type="checkbox"/> Crossmedia (5)	<input type="checkbox"/> Yes (67)
<input checked="" type="checkbox"/> Production (124)	<input type="checkbox"/> Digital content (1)	<input type="checkbox"/> Documentary (93)	Application Date

Fund Goal

Screen Australia is the Australian Government's major screen agency and administrator of the Producer Offset of up to 40% for feature films and 20% for TV and other eligible formats. We finance innovative and high-quality film and TV projects, and develop content, enterprises and talent. We conduct research, undertake audience development, support distribution of Australian releases, and market Australian talent and screen content domestically and internationally.

Co-production Treaty between Canada & Poland

← Back to country

Project Type | Projects of any length (incl. animation and documentary), in any format, for any media existing or to come

Sign Date | 27 May 1996

In Force | 3 September 1999

Activity | Production

Min Participation | Bipartite: 20% / Multipartite: 20%

Versioning | The dubbing or subtitling of each co-production into French and English, or into Polish shall be carried out respectively in Canada or Poland exceptions must be approved by the competent authorities of both countries.

Files

-  English
-  French

Specific Conditions

- Effective technical and creative contribution by each coproducer proportional, in principle, to his investment and should combine creative personnel, technicians, performers (in either leading or supporting roles or both) and facilities.
- All the participants in the coproduction must be Canadian or Polish citizens, or permanent residents of Canada or Poland in accordance with relevant regulations in force in both countries.
- Participation of third-party country performers, should the coproduction so require, subject to approval by the competent authorities, exceptions must be approved by the competent authorities of both countries.
- Location shooting, exterior or interior, in a third-party country may be allowed, if the script or action so requires and if technicians from the coproducing countries take part in the shooting.
- Lab work in a third-party country may be allowed if technically impossible in the coproducing countries, and subject to the approval of the competent authorities.

5.2.1

Treaty Page

Treaty pages show all of the relevant information, specific conditions of the treaties, sign dates, and contain the original treaty documents in downloadable PDF files.

Countries regulations

list | map

Regulation

Visa >

All visitors to Russia need a visa, except residents of the CIS countries and **Israel**. Visas may be obtained from Russian diplomatic delegations outside Russia.
For more details please consult: <http://www.saint-petersburg.com/russian-visa/step-by-step-visa-guide/>

Work Permit >

Foreign residents interested in working in Russia must obtain a work permit. A work permit is issued, subject to an investigation to ensure that the case concerns a skilled worker with no criminal record. The employer in Russia must obtain the work permit before the employee arrives in Russia. Some employees are exempt from having to obtain a work permit. These include journalists, lecturers in institutes of higher learning and employees of foreign companies who are brought to Russia to install new equipment that has been supplied by foreign companies.
